TCSC Snowplow

February 2022

Ski Days are Here!

The ski season has kicked into high gear and TCSC members have been actively playing in the snow. Elk Senior Tuesdays are popular. The Holiday Valley/Holimont trip was fabulous, and Mother Nature has even sent snow for the cross country skiers and snowshoers. There is still time to sign up for Ski with Heart Day at Bristol. Killington Midweek and New Hampshire might have some openings. There is even a cross country trip to the Tug Hill Area on the calendar. Check the website and with the trip leaders for details.

Elk Mountain Aims to Please

You don't have to be a senior to ski at Elk on Tuesdays, it's just a little cheaper if you are. The snowmaking and grooming are top notch, making the mountain a skier's delight. Join the happy skiers in the pictures above and below for a great ski day, if you can.

Holiday Valley and Holimont Fun Days

Single digits and sunshine with little to no wind greeted TCSC skiers at Holimont on Friday and Holiday Valley on Saturday, making for pleasant ski days. Warmer temps on Sunday brought some wind but the skiing was still great as the club added two new resorts to its trip roster. The weekend's activities included a cocktail hour at the inn on Friday and a dinner where the crowd cheered on the Buffalo Bills on Saturday. See more pictures under <u>Fun</u> <u>Time Photos</u> on the website.

X-C Skiers Hit the Trails

All it takes is a good snowstorm to open up x-c trails, and Carol and Mark Brugger hosted two trips, one to Chenango Valley State Park and one to Greenwood Park.

A Heartfelt Thank You from Jill Darling

I want to thank all of my TCSC friends for the outpouring of caring sympathy cards, online messages, phone calls and American Diabetes Association donations during my siblings' and my time of caring for Dad in his home and his passing on December 14. The Wood Family Care Team, along with his part-time caregiver, made it happen for nearly ten years after Mom unexpectedly passed. We got to know our Dad on many levels like never before. It was a blessing both ways. I appreciate the support of my many ski friends!
