

TCSC Snowplow

Summer 2022

Happy Summer!

Dear TCSC Members,

Memorial Day weekend is the unofficial beginning of summer and it looks like we are certainly enjoying that seasonal weather as I write this.

Our last board meeting before fall took place on May 19, and a lot was accomplished to keep our club moving forward.

Since the ski club had been without a president since March, a motion was made and approved by the board for me to be president through next March when a new board will be installed. In the meantime, I will continue my duties as Communications Director but would love to have someone assist me with these tasks. Think about it and let me know if you're interested.

Other votes taken were:

- 2022-23 proposed trip roster approved (see below). Yay!
- June 1, 2022-May 31, 2023 budget was approved.
- There will not be a Ski Sale in the foreseeable future.
- Membership dues will increase to \$25 per year for adults effective June 1; junior memberships remain at \$5. Our memberships now run for 12 months beginning from when you joined, eg., May-May, September-September, etc.

Read on to see what else has been going on in TCSC and what to look forward to. Wishing everyone a happy, healthy and active summer. Looking forward to seeing many of you at some of our summer activities and in the fall when our ski season kicks off!

Warmly,
Ingrid Jordak
President and Communications Director

Keeping Our Section of Highway Beautiful

This smiling group spent the next hour and a half picking up trash on Route 17: Bob P., Gabrielle L, Jeff S., Carol H., Renee O., Donna C., Ingrid J., Lorrie E., and Eileen H., who took the picture and organized the event.

May 15 turned out to be a beautiful morning for TCSC's spring community service trash clean up day. Nine hardy members showed up and left about 26 orange bags plus some other stuff for the county to pick up. It would be great to have more members join us when we do it again the fall.

Thanks to Eileen H. for organizing a delicious breakfast at the 607 Waterman Cafe afterwards.

Save the Dates for Our 2022-23 Ski Trips!

Our ski director, Brenda Nichols, and the trip committee have put together trips for everyone's budget and schedule. This is the current roster with 7 trips!. Final details for some are still being ironed out. As soon as they are set, members will be notified via email and the website and registrations will open. There may be a few others in the works. They will be posted as they are finalized.
