## **From the President**

---

Happy February TCSC members,

I don't know where you all have been skiing, but I have not heard about any "no snow" hills yet. Even though COVID-19 has imposed on us some crazy restrictions, everybody I know is out there skiing downhill and cross country and snowshoeing, having all kinds of winter fun. Our Facebook and members' personal FB pages are full of great action shots and portraits. Just so sweet – give them a look.

We've got a bunch going down to Belleayre on Thursday, Feb. 11. **Brenda Nichols** put together a fun gathering at Windham, with an "après" in the parking lot that included a delicious cookie supply. Even families in neighboring cars were joining in our fun. Many of us are relishing our senior Tuesdays at Elk. They really know how to groom a mountain, and they let us dress and eat in the lodge. Check in at Greek Peak's guest services for TCSC discounts.

Those of you who have not talked with **Bob deVente**, I suggest you give him a call, drop in for a visit, or send him a card. I talked with him a couple hours ago, and he is doing so well, as you might expect with deVente.

The slate of officers has been voted on. See the list in this newsletter. We're still looking for nominations for President and Membership Director: Promotion. Please contact [Donna McCall](#) and/or [Carol Aronowitz](#) for more information.

I cannot wait till we can ALL be together again.

Marie

## Skiing and More Skiing

About two dozen members enjoyed a great day of skiing at **Windham Mtn.** on Jan. 22. Most of the trails were open and the temps were comfortable.

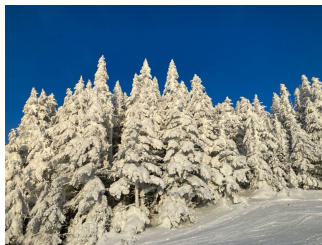

Thank you, **Brenda!**

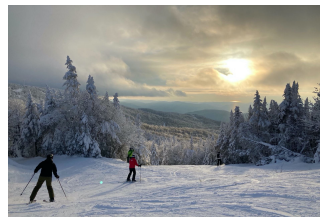

Member **Jill Darling** has been maximizing use of her local Epic pass by skiing the Northeast this season. Check out more of her gorgeous photos on our Facebook pages.

## We Need Your Help

The club always welcomes assistance from members to make it a more dynamic and exciting organization that runs smoothly and efficiently.

### Do You Have a Paid Zoom Account?

Board meetings are presently held via Zoom using a free account. To avoid having to log back in when the Zoom time limit is reached, it would be helpful to be able to schedule monthly board meetings using a paid Zoom account. If you are willing to let the club have its board meetings using your Zoom account, please contact Communications Director [Ingrid Jordak](#).

## Election Results

Thanks to everyone who voted for the slate of officers in the poll that was sent out at the end of January. The results were unanimous in favor of all the candidates who ran. Thank you to all the candidates who volunteered to serve for 2021-22! The new board will be inducted at the March board meeting.

There are still two open positions to be filled: President and Membership Director: Promotion. Reach out to Donna McCall and/or Carol Aronowitz if you or anyone you know is interested.

## Ways to Connect in the Time of COVID

Without the ability to meet in person, the internet and social media have become indispensable tools in keeping the club running. TCSC has worked to increase its presence on Facebook and through its website.

- A [Forum](#) page has been set up on the website where members can post relevant topics and engage in discussions on those topics. Should be especially helpful to trip communications.
- Individual members can be contacted by searching for them by name on the [Member List](#). Access to the list is available only to members who have set up a login account.
- The club Facebook Page is open to the public.
- The club Facebook Group can be viewed by the public. Anyone can request to join the group. They do not have to be a club member, but they must be approved before they can post or comment.

Visit these pages to keep up to date with what's happening in the club and to communicate with members. Email [Ingrid Jordak](#) if you need assistance or have questions.
