

# *TCSC Snowplow*

---

*March 2021*

## From the President

Hello to all our TCSC friends,

We're really made of good stuff. Despite this pandemic, so many of us have been skiing and boarding in beautiful conditions at new ski areas and with our Finger Lakes and Onondaga ski clubs' sisters and brothers.

The resorts I've been to this year are boasting new lift and snowmaking upgrades and open, skiable slopes. Even runs that haven't been open or skiable in other years have been extraordinary.

Simply said, just being together, seeing our friends and talking with others has been spirit-lifting.

Some of us have had a "pod," people we know who have been quarantining and very, very careful. Can you tell I've had a very happy winter?

We will swear in the new TCSC Board of Directors at our next board meeting on Thursday, March 18. The Zoom login information for the meeting will be posted on the TCSC website soon. Our slate of officers for 2021-22 is listed in another section of this newsletter.

We still need to fill the following positions. Nominations can be made by contacting [Donna McCall](#). Detailed job descriptions and ongoing coaching are provided.

**President - Accepting Nominations**

**Membership Director, Promotion - Accepting Nominations**

Our website has been such a plus for members to stay in touch with each other, keep up with club members' activities, membership renewals, event signups, resort information and discounts, and all club activities. Even though we have not had meetings because of COVID restrictions, we've gathered for some planned trips and have plans for post-pandemic events. It's been great to see each other, discuss club business, and keep in touch with one another during our board meetings via Zoom. Thank you **Ingrid Jordak** for setting these up.

A big thanks goes out to **Brenda Nichols, Bob and Nina Nesky**, and **Ingrid** for putting together some fun trips to Windham, Belleayre and Gore. We've had some serious fun!

Please feel free to stay in touch with each other through the website, and post pictures there and on our two Facebook pages. It keeps us connected.

I'm thinking of all of you and cannot wait till we can safely be together again.

**Marie**

---

## Members Know How to Enjoy Winter

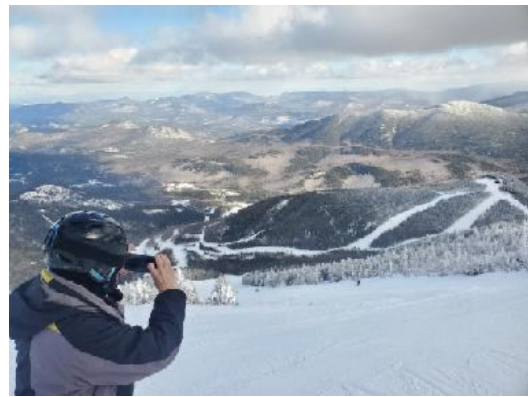

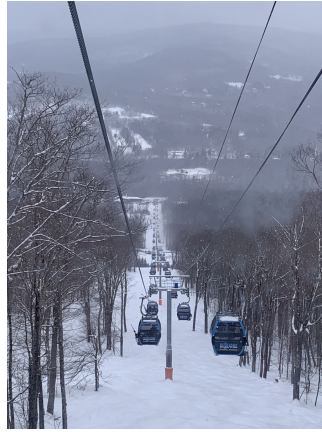

TCSCers enjoyed alpine, cross country skiing and snowshoeing in great conditions in February. Some of the places visited included Belleayre, Whiteface, Mt. Snow, Holiday Valley, Camelback, Elk Mountain and Greek Peak, as well as Ely Park Golf Course, Greenwood Park and Chenango Valley State Park. Jill Darling skied the length and breadth of Vermont.

Top to bottom: Scenes from Whiteface, Holiday Valley, Ely Park, Topsy Elves in VT, Belleayre Overlook Lodge, sign at HV, Belleayre gondola, Camelback water slides, Mt. Snow, Whiteface, Mt. Snow glades.

## Upcoming Events

These events are on the website calendar.

- Gore Mountain Trip, March 7-10 (Sold out)
- [Board of Directors Meeting](#), March 18 (RSVP now)
- [Farm to Fork Fitness Adventure](#), Oct. 1-3 (Sign up now)
- [Adirondack Weekend 2021](#), Oct. 8-11 (Save the Date)

Coming soon: Trips for the 2021-22 ski season!

---

## TCSC Needs You!

### Outdoor and Fitness Activities

With spring and summer around the corner, we are looking for individuals to support or be a leader for outdoor and fitness activities. These extra activities keep us busy, healthy, and together. If you have an idea or want to lead an activity, contact [William Mead](#) with a description, dates, and pictures. He will work with you to get it scheduled and listed on the website.

A kayak adventure on the Tioghnioaga River is being planned for Memorial Day weekend.

Let us know what activities you'd like to do -- hiking, bicycling, kayaking, paddle boarding, golf, tennis -- and if you'd like to run one.

---

## Staying Connected

We have created activity tracking on Garmin Connect and Strava as the Triple Cities Ski Club group. This allows those of us in the group to see each other's activity and fitness stats and maybe even create segment challenges. Another feature available is live tracking, which will let us find each other in real time during activities.

You'll need to install Garmin Connect and/or Strava on your phone and other devices, then join the Triple Cities Group.

If you need help joining, reach out to [William Mead](#).

---
